It is hereby STIPULATED by and between the parties, through their respective attorneys of record and pending Order of this Court, that the date by which Alternative Dispute Resolution (ADR) process may be completed in this case, be extended through June 4, 2007.

Good cause exists for this extension as despite best efforts, the parties, their attorneys and the assigned Early Neutral Evaluation (ENE) evaluator Larry Currey, have been unable to schedule a session by May 1, 2007, the deadline set by the Court in its Order of January 31, 2007 (Document No. 11). At this time, the date of June 1, 2007 has been agreed to by all parties and the Evaluator for the ENE session, and it is expected that the session will be completed that day.
